## **Adams Dairy Bank Announces Staff Promotion** **Cheyenne Reed Promoted to Senior Vice President**

BLUE SPRINGS, MO. (April 8, 2009) – [Adams Dairy Bank](http://www.AdamsDairyBank.com) announces the promotion of Cheyanne Reed to Senior Vice President. Reed has over 30 years of banking experience, most recently as Vice President and Chief Operations Officer with Adams Dairy Bank. Reed was one of the three original members of the Adams Dairy team that began planning and building the bank in February, 2007.

“Cheyanne was integral in getting Adams Dairy Bank up and operating, and we would not have experienced such success in our first year without her,” said David Charles Chinnery, president and CEO. “When I was making the decision myself to get involved in starting the bank, I made sure I had a commitment from Cheyanne to work by my side – it was a big factor in my decision to move forward.”

Adams Dairy Bank prides itself in building a community-focused bank and creating a hometown-banking feel. Reed has taken a very active role in making customers feel like neighbors and convincing neighbors to become customers, and guiding the bank staff to follow her lead. “She has truly represented our mission to provide the community of eastern Jackson County with the highest level of financial services in a friendly, professional manner,” added Chinnery.
