**Adams Dairy Bank
Adds Three New Staff Members**

BLUE SPRINGS, Mo.: May 13, 2008: Adams Dairy Bank has added three local, experienced financial services professionals to its staff. KC Johnson will serve as the bank's Assistant Vice President and Residential Loan Specialist, Tania Harrison will serve as one of the bank's Client Service Representatives, and Kimberly Wallace will serve as the bank's Loan Processor.

Johnson brings more than 17 years of banking experience. Johnson volunteers his time to coach various youth sports teams in the area. Previously he was Vice President of Residential Lending for a local bank.

Harrison has joined as a Client Service Representative. She has five years of banking experience.

Wallace has joined as a Loan Processor. She has 9 years of banking experience.

Adams Dairy Bank is located in a new building near the northwest corner of I-70 and Coronado Drive in Blue Springs. The bank offers a full range of personalized banking services to owners and managers of small to medium-sized businesses, commercial real estate professionals and local residents in the Blue Springs area.
